«Wenn ich jetzt Namen wie Frau Merkel, oder Wladimir Putin und so weiter nenne, dann waren das Young Global Leaders des World Economic Forum. Aber worauf wir jetzt sehr stolz sind, dass auch die junge Generation wie Premierminister Trudeau (Kanada) oder der Präsident von Argentinien unsrige sind und wir nun auch in die Kabinette eindringen. Ich war gestern bei einem Empfang von Premierminister Trudeau und ich weiss, dass die Hälfte, sogar mehr als die Hälfte seiner Kabinettsmitglieder von uns, den Young Global Leaders des World Economic Forums sind.

«When I mention now names like Mrs. Merkel, even Vladimir Putin and so on, they have been Young Global Leaders of the World Economic Forum. But, what we are very proud of now, also the young generation like Prime Minister Trudeau (Canada), President of Argentina so on, so we penetrate the cabinets, so yesterday I was at the reception of Primemister Trudeau and I know that half of his cabinet, even more than the half, are ours, actually Young Global Leaders of the World Economic Forum”.
